

FRONT · 4 × 6 IN

Toot Toot
LEARNING

Every game. On one stick.

**No internet needed****No accounts****No ads. Ever.**

Ready in 3 steps

1

Plug the stick into any computer.

Windows, Mac or Chromebook. No install, no password.

2

Open the stick.

It shows up like any other drive. Double-click to look inside.

3

Double-click
Start Here.html

It opens in your web browser. Pick a game and play!

Tip: keep the stick plugged in while you play. Progress and stars are saved in the browser on that computer. Works on tablets too, with a USB adapter. Questions?
